

April 9th Art Demonstration – Karen Langer Baker

Don't miss the fun at the Wednesday Art Demonstrations! After you sign in be sure to head to the raffle table – you could win art donated by the demonstrator and it supports the EAA Scholarship Fund! To enter the art competition, bring one framed original. Before the demo are a few important announcements, and we break halfway through the demo for snacks and coffee and a chance to mingle. At the end of the night the competition and raffle winners will be announced. The event goes from about 7:00pm to 9:00pm and it's a great chance to get to know other members!

April 9th Art Demonstration Demonstration Starts at 7:00pm

Joslyn Center, 210 Park Avenue, Escondido

Demonstration is Free for Members; \$5 for Nonmembers

Important Gallery News

In the Artists Gallery we are in the process of updating all of our information for the benefit of members and gallery visitors.

Business Cards: Members should check and make certain that their business cards at the gallery are updated and well-stocked

Art Instructors: Members who are art instructors should send an email to Barbara Schmidt with their name, business name, type of art instruction, and contact phone number and/or email address. We can then make this information available in the gallery for people interested in taking art classes.

Bio Books: All members should take an updated biography to the gallery and leave it as "Attention Joan Segel" in order to update our bio books.
